- **January 20, 2012:** Announced posting of compilation of Municipal Comments of the October version of the Matrix. Second review drafts of Article I, V, VI, VIII, IX and first review drafts of Section 103, Article II, Sections 301 -303 and Article IV. Request WPAC submit comments by February 24.
- **February 6, 2012:** Full draft of Model Ordinance posted for review (with some revisions to Articles posted on January 20) and comments by February 24.
- **February 29, 2012:** Reminder that Comments must be received by March 6 (deadline extended).
- **May 4, 2012:** Update to inform that comments were received and revisions are taking place.
- **July 19, 2012:** Update that the Model Ordinance and Matrix of Standards have been revised and are available for review with comments due August 31. Announcement of August 3, 2012 WPAC Meeting.
- **July 31, 2012:** Reminder that the next WPAC meeting will be held on August 3.
- **August 3, 2012:** Update that draft Addendum has been posted for review and comment with comments due no later than August 31, 2012. WPAC meeting materials have been posted.
- **August 14, 2012:** Update that a revised version of the Addendum has been posted that includes Part 6 about state projects.
- **August 17, 2012:** Update announced three resources were posted that contain optional ordinance language for riparian buffers, other conveyances and system design standards and prohibited discharges.
- **August 21, 2012:** Update that PADEP will allow MS4 municipalities in Chester County to adopt an ordinance consistent with the County-wide Act 167 Plan after March 13, 2013. They may state in their PAG-13 that they will adopt an ordinance within six months of the date of the PADEP final approval.
- **August 28, 2012:** Reminder that comments are due on the Addendum, Model Ordinance and Matrix no later than August 31, 2012.
- **September 28, 2012:** Announcement that the 45-Day Public Review period will begin on October 12, 2012 (ending November 26, 2012).

- **October 12, 2012:** Announcement of the start of the 45-Day Public Review period and informing the WPAC representatives that a hard copy letter was sent to each municipality.
- **October 22, 2012:** Update that the Plan Addendum is available as one consolidated file (previously they were posted as individual files, as one large file can overwhelm printers). Update also alerted users that the County website was migrating to a new system and requires everyone to update their links and bookmarks.
- **October 24, 2012:** Provided information about how comment submissions are reviewed and how the decision is made as to which comments are incorporated into the final draft.
- **November 21, 2012:** Reminder that all comments must be submitted by November 26, 2012 (last day of the 45-Day Public Review Period).
- **January 10, 2013:** Update that comments were received and will be incorporated into a comment response log. Update informed them that all the CCPC, CCCD and CCWRA Boards of Directors voted to recommend the County-wide Act 167 Plan to the Chester County Board of Commissioners for adoption.
