OUTDOOR ETHICS AWARENESS FOR SCOUTS

Calling all Cub Scouts and Boy Scouts! Hike through Warwick County Park to complete the participation requirement for the Outdoor Ethics Awareness Award. Explore the seven principles of *Leave No Trace Outdoor Ethics* and learn how to minimize your impact on the land while recreating outdoors.

- Saturday, May 6; 2 - 4 PM
- Warwick County Park Office

A LESSON FROM THE LORAX

Come enjoy the original Dr. Seuss movie classic *The Lorax* - - with some popcorn of course! Learn how the Lorax spoke for the trees, as the greedy Once-ler chopped them down to meet his highly profitable needs. In the end, with all the trees gone, even the Once-ler gets the message. After the movie, help plant a tree in the park.

- Sunday, May 7; 2 - 3:30 PM
- Warwick County Park Office

SPECIAL NEEDS FISHING RODEO

Sponsored by the West Caln Sportsmen's Club and Friends of Hibernia, this community event is an opportunity for special needs groups to enjoy a day of fishing. Anglers will be on hand to assist and teach the art of fishing. The pond is stocked with trout from the park's Cooperative Fish Nursery. Refreshments will be available.

- Wednesday, May 10; 9 AM - 1 PM
- Hibernia County Park, Kids Pond
- *No registration required*

COVENTRYVILLE TROUT RODEO

Ages 15 and under may participate in the Coventryville Trout Club's fishing rodeo. The Club stocks an estimated 600 fish along a 1/4 mile stretch of the French Creek. Volunteers will be on hand to assist kids who do not have any fishing experience. All participants are eligible for various prizes. No adult fishing is permitted during this time. Registration is handled at the event.

- Saturday, May 13
- Registration begins at 8:15 AM
- Fishing Rodeo occurs 10 AM - 1 PM
- Fee: \$5 per participant - paid at event
- Warwick County Park, French Creek

PAWS ON THE PATH

2nd Saturday of the Month

Take a ranger-led hike with your dog for a little exercise and socialization. Dogs must keep their humans on a leash. Please bring a clean up bag (or two), and water for dog and human – no water is available at Wolf's Hollow. Hike location alternates each month.

- Saturday, May 13
- Meet at 9:00; Hike departs at 9:10 AM
- Nottingham County Park Office
- *No registration required*

INVASION OF THE RUSTY CRAYFISH

The French Creek has been overrun by the invasive "Rusty Crayfish", moving upstream from the Schuylkill River. This crayfish is larger, more aggressive and can eat twice as much as native crayfish. Help catch crayfish, identify the native and non-native species, and protect our valued aquatic habitat. Program also offered June 11, July 15 & August 12.

- Saturday, May 13; 2 - 3:30 PM
- Warwick County Park Office

WHO GROWS THERE?

Learn how to identify Oaks, Hickories, Hemlocks and Sassafras. During this easy hike, visit many of the longtime residents of our forest. This program is great for families, Scout groups, and individuals interested in knowing what grows in Wolf's Hollow County Park.

- Sunday, May 21; 2 - 3:30 PM
- Wolf's Hollow County Park, Parking Lot

INVASIVE EATS

Invasive exotic plants cause a major problem in our ecosystem. They can be destructive but also wildly delicious! See how to identify and properly harvest these harmful invaders.

PAVILION SPEAKER SERIES

Nottingham County Park welcomes and thanks these special guest speakers in our inaugural Pavilion Speaker Series. All ages are welcome to attend and all programs are free to the public. Programs will be held at Pavilion #8. Registration is required. See page 7 for information.

COYOTE SECRETS

THURSDAY, JUNE 1ST

6 – 7:30 PM

KEITH MULLIN, WILDLIFE CONSERVATION OFFICER, PA GAME COMMISSION
Coyotes can be found across the Commonwealth, yet are rarely seen. How would you know if you saw one? What is their natural habitat and how well do they adapt to human presence? What do they eat? How do they raise their young? WCO Mullin will address questions, and have skull, bone and fur samples on hand to aid participants in identifying and understanding this elusive mammal in our midst.

BEAUTY OF THE BARRENS

TUESDAY, JULY 18TH

6 – 8 PM

SALLY WILLIG, LECTURER AND ADVISOR, MASTER OF ENVIRONMENTAL STUDIES PROGRAM, UNIVERSITY OF PENNSYLVANIA

Join us for a special evening with Sally Willig as she relates the tale of geologic drama that gave birth to globally rare serpentine soils, including those here in Nottingham County Park. Learn why this soil exists and how its shallow, mineral-laden composition in turn gives birth to delicate - yet hardy and rugged - native grasses and wildflowers. As the sun dips to the west and spreads its golden hues, take a walk into the back country to witness firsthand the beauty of the barrens.

SNAKES, FROGS & POLLIWOGS

SATURDAY, JULY 29TH

10 AM – 12 NOON

GARY STOLZ, BIOLOGIST AND EDUCATOR, PA DEPARTMENT OF CONSERVATION AND NATURAL RESOURCES

A nose by any other name... is a tongue? Sure it is...if you're a snake. Frogs can swallow their prey...by blinking? Biologist Gary Stolz reveals many wonders of reptiles and amphibians, and what makes them unique in the animal kingdom. Explore skins, skulls, and skeletons, get some identification tips, and learn what you can do to help conserve these vital members of our native ecosystems.

Hibernia Mansion Tours
