

Chester County Conservation District

Bid Package to be Available February 28, 2012 for Mushroom, Dairy and Equine BMP Construction – Concrete and Digging Services

The Chester County Conservation District is soliciting bids for four contracts involving concrete and digging services for agriculture BMPs on mushroom, dairy, and equine operations.

Funding for these projects is by a Pennsylvania Infrastructure Investment Authority (PENNVEST) loan/grant under the Clean Water State Revolving Fund loan program. Please note this important change: **Disadvantaged Business Enterprise (DBE) firm solicitation IS NOT required on any one of the four contracts.**

Subcontractors on this project will be required to comply with all applicable regulations including payment of Pennsylvania prevailing wage for the southeast region. **Performance bonding must be 100% for each contract – no partial bonding allowed on large contracts with no exceptions.** All requirements, including those above, are explained in the project specifications contained in the bid package.

Plans and specifications will be available for purchase on February 28, 2012 at the District Office, 688 Unionville Road, Kennett Square, PA 19348. They are available for purchase in disc format for \$15.00 (time & materials) + \$2.00 mailing cost per disc (if requested). Paper copies are available, if requested, for \$75.00 + \$6.00 mailing cost. Please allow two working days for this service.

The pre-bid meeting will be held at the East Marlborough Township Building, 721 Unionville Road, Kennett Square, PA, 19348, on March 6, 2012 at 8:30 a.m. – 9:00 a.m. All sites will be visited on March 6, 2012 through March 8, 2012. A tentative schedule of site visits will be included in the bid package.

Bids will be accepted at the District during regular office hours (8:00 a.m. – 4:00 p.m., Monday-Friday) office until April 12, 2012 at 10:00 a.m. The public is invited to view the bids from 10:05 a.m. – 12:00 p.m. on April 12, 2012.

The four contracts are:

Contract #1 – Concrete BMP construction for one mushroom operation located in Delaware County.

Contract #2 – Concrete BMP construction for one mushroom operation located in Chester County.

Contract #3 – Concrete BMP construction for one mushroom and two dairy operations located in Chester County.

Contract #4 – Excavation/Digging BMP construction for one mushroom, two equine, and three dairy operations located in Chester County.
