DEPARTMENT OF REVENUE
REPORTS RECONCILIATION DIVISION*

DATE: June 18, 2014

SUBJECT: Pennsylvania Realty Transfer Tax
2012 Common Level Ratio
Real Estate Valuation Factors

TO: Recorders of Deeds

FROM: Suzanne Tarlini, Division Chief
Inheritance and Realty Transfer Tax
Bureau of Individual Taxes

Attached are the 2013 Common Level Ratio Real Estate Valuation Factors applicable for documents **accepted** from July 1, 2014 to June 30, 2015. The acceptance date of the document is used for applying the appropriate valuation factor.

The valuation factors are derived from the 2013 State Tax Equalization Board (STEB) ratio percentages that were officially certified by STEB on June 18, 2014. They are mathematically converted to accommodate the multiplication format prescribed on the "Statement of Value" and "Declaration of Acquisition" tax forms.

In order to achieve statewide notification to taxpayers and tax practitioners, the new listing will be published in a July 2014 edition of the **Pennsylvania Bulletin**. The new listing also will be sent to all county sheriffs and local government, school district and tax claim bureau officials. Please post the new factors in your office and distribute them as extensively as possible. Also, the new valuation factors, including those issued by the Department since 1986 are available on our website at www.revenue.state.pa.us; click on Forms and Publications.
