
**Sample-sized portions of food and drinks
are not regulated by the
Chester County Health Department.
Sample at your own discretion.**

Vendors offering samples in Chester County must display the above notice in public view pursuant to the United States Food and Drug Administration current edition of the Food Code (3-601.12). Samples may not be offered if this sign is not provided. The Chester County Health Department reserves the right to review sampling procedures to ensure they are accomplished in a safe and sanitary manner.

fold card in half and then along the dotted lines and tape or staple
