

Overview

This service allows you to receive notifications from your responder organization, Chester County department, or municipal office via phone calls, text messaging, e-mail and more based on locations you care about. You can choose to receive notifications about events that may affect your home, workplace, family's schools and more.

How It Works

When we issue a notification you will receive a message on the phone, text, email methods that you have registered. Messages may request that you confirm the message. The system will continue to contact you until you confirm receipt of the message.

Sign up for Notifications

Talk to the system administration within your organization to get added to the system.

Stop Receiving Notifications

You can stop receiving notifications at any time by removing your contact information from your profile.

Frequently Asked Questions

For support using Chesco Alert please contact: notificationsupport@chesco.org

What is Chesco Alert?

This service allows you to receive notifications from your responder organization, Chester County department, or municipal office via phone calls, text messaging, e-mail and more based on locations you care about. You can choose to receive notifications about events that may affect your home, workplace, family's schools and more.

What if my phone number or email address changes?

The system is only as good as the information you provide. If your contact information changes, you can always visit your profile and update your information.

Will my contact information be shared with others?

No. The information that you provide will be used only for notification purposes from Chesco Alert. We will not give or sell your contact or location information to any vendor or other organization.
