**Introduction**

On December 7, 2007, Internal Audit completed an audit of Magisterial District Court 15-3-04 (*District Court*). Gretchen W. Sohn, CIA, was the auditor-in-charge and was assisted by one additional auditor. Internal Audit is required by the Pennsylvania County Code to review district courts annually to ensure compliance with policies and procedures mandated by the Administrative Office of Pennsylvania Courts and/or District Judge Administration and to assess their overall internal control structure. The scope of our audit included a review of the following:

- Cash and Petty Cash
- Undisbursed Funds
- Cash Receipts
- Manual Receipts
- Cash Disbursements
- Voided Transactions
- Overall Compliance.

**Executive Summary**

The management and staff of the *District Court* are, in all material respects, in compliance with policies and procedures set forth by the Administrative Office of Pennsylvania Courts and directives imposed by District Judge Administration. Minor findings involving internal control and compliance are included within this Management Letter. There were no significant internal control weaknesses identified. Based on Internal Audit's testing and observations, it is our opinion that these deficiencies are not the result of negligence or deliberate misconduct, but are instead the consequence of one or more of the following:

- Oversights
- Human error.

We would like to thank the management and staff of the *District Court* for their cooperation and assistance during the course of this audit. We have provided herein a copy of our "Audit Findings" and "Recommendations" for your review and comment.

Please feel free to contact our office at (610) 344-6797 should you have any questions or concerns.

**FINDINGS AND RECOMMENDATIONS**

**FOR THE YEAR ENDED DECEMBER 31, 2006**

**I. INTERNAL CONTROL FINDINGS AND RECOMMENDATIONS**

Reconciliation/Recordkeeping

Finding 1: Cash Adjustments

A debit memo on the *District Court's* June, 2006 bank statement was processed by the *District Court* as a debit adjustment to reconcile their month-end bank account on their books. The incorrect check amount had been processed by the *District Court* on the original receipt resulting in the bank's debit memo. To correct the *District Court's* records, the receipt should have been voided and reprocessed for the correct amount.

Recommendation

Internal Audit recommends that the *District Court* exercise greater care when processing cash adjustments. Every debit adjustment requires a subsequent credit adjustment and vice-versa. In this case, there would never have been an offsetting credit adjustment. Internal Audit recommends that the original receipt be voided now and reprocessed for the correct amount. Then a credit adjustment should be processed to offset the debit adjustment.

Auditee Response

*District Court management concurs with the finding and recommendation.*

**II. COMPLIANCE WITH POLICIES AND PROCEDURES**

In order to test compliance with all applicable policies, procedures, and regulations, Internal Audit selected a statistical sample of 25 case files out of a total population of 5,523 case files created in 2006. In addition, we performed other related tests of cash receipts, cash disbursements, manual receipts, undisbursed funds, and voided transactions. Sample size for the tested areas was determined through a risk assessment analysis based on the results of the *District Court's* prior year audit and current year case load. We believe the results of our tests are representative of the entire population on the basis of accepted audit sampling principles.

**FINDINGS AND RECOMMENDATIONS**

**FOR THE YEAR ENDED DECEMBER 31, 2006**

**II. COMPLIANCE WITH POLICIES AND PROCEDURES**

Finding 1: Stale-dated Checks

Internal Audit noted that stale-dated checks are not being escheated/voided in a timely manner.

Recommendation

Internal Audit recommends that the *District Court* staff adhere to the stale-dated check procedures as outlined in the District Judge Automated Office Clerical Procedures Manual.

Auditee Response

*District Court management concurs with the finding and recommendation.*

Finding 2 Undisbursed Funds

Internal Audit noted the following:

- In 3 instances, funds were not disbursed in a timely manner.
- In 1 instance, constable server fee monies were not transferred to the County when the “Server Fee Notice” was printed.
- In 1 instance, postage charges were entered as server fees and not corrected in a timely manner.

Recommendation

Internal Audit recommends that *District Court* management reemphasize to the staff the importance of disbursing funds as soon as allowable on cases which have been adjudicated and/or closed. To this end, the Undisbursed Funds Report should be reviewed/monitored on a monthly basis.

- In 1 instance, a voided receipt copy was not attached to the case file.
- In 1 instance, the replacement receipt was not attached to the case file.
- In 3 instances, a voided check copy was not attached to the case file.

Recommendation

Internal Audit recommends that the *District Court* staff exercise greater care to ensure that voided receipt and voided check copies are attached to the appropriate case file. Internal Audit also recommends that replacement receipts and checks be attached to the case file, when applicable.
