Email: pspc_sales@harris.com

Trade in your current fielded radios for credit towards our latest XG / XL platform of radios - even the new XL-200P, the most advanced public safety full-spectrum, multiband radio available today.

Portable and mobile radio end users are immediately eligible to trade-in their Harris radio product or competitor radio product for tremendous savings ranging from \$200 up to \$700 off select XG/XL series multimode radios equipped with P25T or EDACS® operational mode.

BUDGET AN ISSUE? WE'VE GOT YOU COVERED.

At Harris, we believe every agency should have the safest and most reliable equipment in the industry. Talk to us about special financing options.
