

**SAVE Supervision  
Participation Requirements and Waiver**

Defendant's Name \_\_\_\_\_ Case Number(s) \_\_\_\_\_

**I, the above-named defendant, have been referred into the Swift Alternative Violation Enforcement (SAVE) Supervision and must adhere to the rules and conditions which also includes all of the general rules and conditions of supervision. I understand that:**

1. In consideration of the benefits I will receive by being placed under SAVE supervision, which I have read and discussed with Defense Counsel and Adult Probation, I agree that, regardless of my original sentencing judge, my Level II violation hearing to place me under SAVE will occur before the presiding SAVE judge. I specifically waive any right I may have under statutory law or case law to have my violation(s) heard by my original sentencing judge.
2. In consideration of the benefits I will receive by being placed under SAVE supervision, while I remain under that supervision, I waive the right to a Level II violation hearing and any speedy violation hearing rights pursuant to 42 Pa. C.S.A. §708 and other applicable federal or state statute or case law.
3. While supervised under SAVE, all proceedings will occur before the presiding SAVE Judge or designee.
4. Upon entering the SAVE, you must surrender any/all narcotic medication in your possession.
5. If I violate any rules or conditions of SAVE supervision, a sanction will be immediately imposed consistent with the SAVE sanction documents provided in this orientation packet and the power of the court. All sanctions shall be Level I probation or parole violations.
6. If I am incarcerated in Chester County Prison at any time during SAVE supervision, I will not accept or take any narcotic medications from any source. This includes but is not limited to opiates, benzodiazepines or sleep aides.
7. If I successfully comply with the all rules and conditions of SAVE supervision and remain violation free for a period of 2 years (or the maximum of my supervision period, whichever is less) I will be granted a successful discharge from supervision.
8. If I am removed from SAVE supervision for non-compliance (not for a new criminal offense), my Level I violations, accrued while under SAVE supervision, shall be a basis for a new Gagnon/Morrissey Level II violation petition and sentence. I further understand and agree that all Gagnon/Morrissey Level II hearings will be held before the presiding SAVE Judge or designee who shall impose a new sentence for the probation/parole violation. If the reason for my removal from SAVE is a new criminal charge that results in a new criminal conviction, I understand that I will face the Gagnon/Morrissey violation process presided over by the Judge handling my new criminal case(s) unless, for good cause, my violation must be assigned to another Judge.
