OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS
INDEPENDENT AUDITORS' REPORT**

County Commissioners
County of Chester
West Chester, Pennsylvania

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the COUNTY OF CHESTER, PENNSYLVANIA, as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the COUNTY OF CHESTER, PENNSYLVANIA's basic financial statements and have issued our report thereon dated June 15, 2018. Our report includes a reference to other auditors who audited the financial statements of the Chester County Solid Waste Authority, the Chester County Area Airport Authority, the Chester County Water Resources Authority, the Chester County Library and Library System, and the Chester County Conference and Visitors Bureau, Inc., as described in our report on the COUNTY OF CHESTER, PENNSYLVANIA's financial statements. The financial statements of the Chester County Solid Waste Authority, the Chester County Water Resources Authority, the Chester County Library and Library Board System, and the Chester County Conference and Visitors Bureau were not audited in accordance with *Government Auditing Standards*. This report does not include the results of the other auditors' testing of internal control over financial reporting or compliance and other matters that are reported on separately by those auditors.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the COUNTY OF CHESTER, PENNSYLVANIA's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the COUNTY OF CHESTER, PENNSYLVANIA's internal control. Accordingly, we do not express an opinion on the effectiveness of the COUNTY OF CHESTER, PENNSYLVANIA's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the COUNTY OF CHESTER, PENNSYLVANIA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT**

County Commissioners

Report on Compliance for Each Major Federal and Pennsylvania Department of Human Services Program

We have audited the COUNTY OF CHESTER, PENNSYLVANIA's compliance with the types of compliance requirements described in the *U.S. Office of Management and Budget ("OMB") Compliance Supplement* and the Pennsylvania Department of Human Services ("DHS") *Single Audit Supplement* that could have a direct and material effect on each of the COUNTY OF CHESTER, PENNSYLVANIA's major federal and DHS programs for the year ended December 31, 2017. The COUNTY OF CHESTER, PENNSYLVANIA's major federal and DHS programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of federal statutes, regulations, and the terms and conditions of its federal and DHS awards applicable to its federal and DHS programs.

Auditors' Responsibility

Our responsibility is to express an opinion on compliance for each of the COUNTY OF CHESTER, PENNSYLVANIA's major federal and DHS programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; the audit requirements of Title 2 U.S. *Code of Federal Regulations ("CFR") Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and the Pennsylvania Department of Human Services *Single Audit Supplement*. Those standards, the Uniform Guidance, and the Pennsylvania Department of Human Services *Single Audit Supplement* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal and DHS program occurred. An audit includes examining, on a test basis, evidence about the COUNTY OF CHESTER, PENNSYLVANIA's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal and DHS program. However, our audit does not provide a legal determination of the COUNTY OF CHESTER, PENNSYLVANIA's compliance.

Basis for Qualified Opinion on Major Federal and DHS Programs Listed in the Table Below.

As described in the accompanying schedule of findings and questioned costs, the COUNTY OF CHESTER, PENNSYLVANIA did not comply with requirements regarding the following:

Finding #	CFDA #	Program (or Cluster) Name	Compliance Requirement
2017-002	93.778	Medicaid Cluster	Cash Management

Compliance with such requirements is necessary, in our opinion, for the COUNTY OF CHESTER, PENNSYLVANIA to comply with the requirements applicable to those programs.

Qualified Opinion on the Major Federal and DHS Programs Listed in the Table Above.

In our opinion, except for the noncompliance described in the Basis for Qualified Opinion paragraph, the COUNTY OF CHESTER, PENNSYLVANIA, complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on the major federal and DHS programs listed in the table above for the year ended December 31, 2017.

Unmodified Opinion on Each of the Other Major Federal and DHS Programs

In our opinion, the COUNTY OF CHESTER, PENNSYLVANIA complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its other major federal and DHS programs identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs for the year ended December 31, 2017.

Other Matters

The COUNTY OF CHESTER, PENNSYLVANIA's responses to the noncompliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. The COUNTY OF CHESTER, PENNSYLVANIA's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

Report on Internal Control Over Compliance

Management of the COUNTY OF CHESTER, PENNSYLVANIA, is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the COUNTY OF CHESTER, PENNSYLVANIA's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal and DHS program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal and DHS program and to test and report on internal control over compliance in accordance with Uniform Guidance and the Pennsylvania Department of Human Services *Single Audit Supplement*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the COUNTY OF CHESTER, PENNSYLVANIA's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal or DHS program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal or DHS program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal or DHS program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. We identified certain deficiencies in internal control over compliance, as described in the accompanying schedule of findings and questioned costs as Findings 2017-001 and 2017-002 that we consider to be material weaknesses.

The COUNTY OF CHESTER, PENNSYLVANIA's responses to the internal control over compliance findings identified in our audit are described in the accompanying schedule of findings and questioned costs. COUNTY OF CHESTER, PENNSYLVANIA's responses were not subjected to the auditing procedures applied in the audit of compliance and, accordingly, we express no opinion on the responses.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and the Pennsylvania Department of Human Services *Single Audit Supplement*. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by Uniform Guidance

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the COUNTY OF CHESTER, PENNSYLVANIA, as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the COUNTY OF CHESTER, PENNSYLVANIA's basic financial statements. We issued our report thereon dated June 15, 2018, which contained unmodified opinions on those financial statements. Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the COUNTY OF CHESTER, PENNSYLVANIA's basic financial statements. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the basic financial statements. The accompanying schedule of WIA Expenditures is presented for purposes of additional analysis and is not a required part of the basic financial statements.

The schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The schedule of WIA Expenditures has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on it.

YEAR ENDED DECEMBER 31, 2017

Page 12

NOTE 1: REPORTING ENTITY

The County of Chester, Pennsylvania (the "County") as the reporting entity for financial reporting purposes is defined in Note 1 to the County's financial statements. For purposes of preparing the schedule of expenditures of federal awards, the County's reporting entity differs from that used for financial purposes, in that awards received and expended, if any, by the following entities are excluded:

- Chester County Solid Waste Authority
- Chester County Airport Authority
- Chester County Water Resources Authority
- Chester County Library and District Center
- Chester County Conference and Visitors Bureau, Inc.
- Chester County General Authority

Direct awards pertaining to these entities have been excluded from the accompanying schedule of expenditures of federal awards principally because the County is not directly involved in maintaining the accounting records or systems of internal accounting and administrative controls for these entities. Where applicable, these entities have arranged for the issuance of separate Single Audit Reports containing their audited financial statements and schedule of expenditures of federal awards and all required audit reports.

Except as indicated above, the accompanying schedule of federal expenditures presents the activity of all federal award programs of the County.

NOTE 2: BASIS OF ACCOUNTING

The accompanying schedule of expenditures of federal awards is presented using the modified accrual basis of accounting, which is described in Note 1 to the County's financial statements. The County did not use the 10% de minimis indirect cost rate.

NOTE 3: RISK-BASED AUDIT APPROACH

The 2017 threshold for determining Type A and Type B Programs is \$1,348,695. The following high-risk Type B Program was audited as major:

Section III - Federal and Pennsylvania Department of Human Service Awards' Findings and Questioned Costs

<u>Finding 2017-001</u>	<u>Reporting</u>
	CFDA # 93.558 Temporary Assistance to Needy Families (TANF) U.S. Department of Health and Human Services Pass-through Pennsylvania Department of Human Services
Criteria:	2 CFR part 200 section 303 indicates that the County is responsible for establishing and maintaining effective internal control over the Federal award that provides reasonable assurance that the County is managing the Federal award in compliance with Federal statutes, regulations, and the terms and conditions of the Federal award.
Condition:	Four of the seven reports selected for testing in the TANF cluster did not have sufficient audit evidence to demonstrate they were approved prior to submission. There were no instances of noncompliance with reporting requirements related to the reports selected.
Cause:	The department was in the process of training a new fiscal officer and deviated from the established procedures since the reports were prepared collaboratively during the training process.
Effect:	Due to the training of a new fiscal officer, internal controls over this requirement were not operating effectively. The finding was a repeat of Finding 2016-001 in the prior year.
Questioned Costs:	None noted.
Recommendation:	The County should follow its established internal controls procedures over reporting requirements.
Views of Responsible Officials:	The County concurs with the finding. The Accounting Supervisor will review, initial, and date the report as approved prior to its submission to the grantor.

COUNTY OF CHESTER, PENNSYLVANIA
 SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)
 FOR THE YEAR ENDED DECEMBER 31, 2017

Section III - Federal and Pennsylvania Department of Human Service Awards' Findings and Questioned Costs (Continued)

<u>Finding 2017-002</u>	<u>Cash Management</u>
	CFDA # 93.778 Medicaid Cluster PA Department of Human Services Medical Assistance Transportation Program
Criteria:	2 CFR part 200 section 305 (8) indicates that the County must maintain advance payments of Federal awards in interest-bearing accounts and section 305 (9) indicates that interest earned on Federal advance payments deposited in interest-bearing accounts must be remitted annually to the Department of Human Services if the interest amounts to more than \$500.
Condition:	The program received advance payments, which were maintained in the County's pooled cash account. The funds were maintained in the cash account for a period of time before being disbursed to subrecipients, however, no interest was allocated to the program. Based on the interest rates of the cash account during the year, the program should have earned more than \$500 in interest.
Cause:	All advance payments for the MATP portion of the Medicaid Cluster were placed into the county cash concentration bank account to be used to fund program expenditures. The finance department allocates interest monthly based on the equity each department has in the cash concentration account. Since most of the programs in the Department of Community Development operate on a reimbursement basis, the department, as a whole, generally had little to no equity within the cash concentration account. As such, the finance department informed the program that it had earned no interest during the year under audit.
Effect:	Internal control over this requirement was not designed effectively and the programs are not in compliance with cash management requirements.
Questioned Costs:	\$589
Recommendation:	The County should review interest allocation procedures for funds in the pooled cash account to ensure interest is allocated on a program basis instead of on a fund basis.
Views of Responsible Officials:	The County concurs with the finding. The County Finance Department will calculate the interest earned for the net available program funds on a quarterly basis. The DCD Accounting Supervisor will include the interest earned on the Quarterly MATP reports that are submitted to the Pennsylvania Department of Human Services (DHS).
