Adult Day Care Centers

SERVICES OFFERED:
Adult Day Care Centers offer a variety of medical services as well as social and recreational programs. Medical services may range from a registered nurse administering medicines – to a facility providing skilled nursing care and a full range of therapy services. Centers may be privately owned, part of a nursing home, sponsored by religious, fraternal, or neighborhood organizations, or run by a local hospital or government agency.

ABILITIES REQUIRED:
A wide range is accepted. Depending on the medical services available, the required abilities could range from a person who is independent, mobile, and perhaps in the very early stages of Alzheimer’s disease to a person who requires 24-hour skilled nursing care.

ACCREDITATION/LICENSURE:
In Pennsylvania, a license is required by the state’s Department of Aging and/or Department of Human Services.

METHODS OF PAYMENT:
Private pay; Long-Term Care Insurance; short-term Veterans benefits possible. If funding is needed, contact the Chester County Department of Aging Information and Referral Unit (610-344-6350) for income and eligibility cost-sharing guidelines.

QUESTIONS TO ASK:
1. How long has the center been operating and who owns it? Is the facility licensed by the state? What are the days and hours of operation?
2. Is there a rate schedule for services? Or a flat, hourly fee?
3. What services are available? Therapies?
4. Are “drop-ins” accepted? How much notice must be given?
5. What does a sample menu look like for a week? What is a person has special dietary requirements – how is this handled?
6. What kinds of activities and/or programming does the center offer?
7. Who is on staff (aides, registered nurses)? What type of training has the staff received?
8. What is the center’s emergency procedure? Who is called? What hospital is used?
9. Does the center have a list of references that can be contacted?
