Introduction

On September 10, 2018, Internal Audit completed an audit of the Office of the Clerk of Courts (*Clerk*) for the year ended December 31, 2017. Christian J. Kriza was the auditor-in-charge. Internal Audit is required by County Code to review county offices annually to ensure compliance with policies and procedures and to assess their overall internal control structure. The scope of our audit included a review of the following:

- Cash and Petty Cash
- Undisbursed Funds
- Cash Receipts
- Manual Receipts
- Cash Disbursements
- Voided Transactions
- Escheats/Stale Dated Checks

We conducted our audit in accordance with generally accepted auditing standards and standards applicable to financial audits contained in *Government Auditing Standards* published by the Comptroller of the United States. We have also issued our Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters concurrent with this management letter. Disclosures and other information in that Report (also dated September, 2018) should be considered in conjunction with this Management Letter.

Executive Summary
