County of Chester
Prison Inmate Fund
Management Letter

Margaret Reif, Controller
To: D. Edward McFadden, Warden

Introduction

On November 19, 2018, Internal Audit completed an audit of the Prison Inmate Fund (Inmate) for the year ended December 31, 2017. Carissa M. Petrelia was the auditor-in-charge and was assisted by an additional auditor. Internal Audit is required by County Code to review county offices annually to ensure compliance with policies and procedures and to assess their overall internal control structure. The scope of our audit included a review of the following:

- Cash and Petty Cash
- Liabilities
- Accounts Receivable
- Cash Receipts
- Cash Disbursements
- Voided Transactions
- Escheats

We conducted our audit in accordance with generally accepted auditing standards and standards applicable to financial audits contained in Government Auditing Standards published by the Comptroller of the United States. We have also issued our Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters concurrent with this management letter. Disclosures and other information in that Report (also dated November 19, 2018) should be considered in conjunction with this Management Letter.

Executive Summary

For the year ended December 31, 2017, Internal Audit has determined that the Inmate’s system of internal controls is adequately designed, in-place and operative. The results of this audit indicate that, in all material respects:

- Assets are properly safeguarded from employee theft, robbery and unauthorized use
- Responsibility / Authority is established and assigned to specific individuals
- Duties (specifically authorization, custody and recordkeeping) are properly segregated
- Documents are available to provide evidence that transactions and events have occurred

In addition, the Inmate was found to be in compliance with policies and procedures mandated by the County of Chester.

We thank the management and staff of the Inmate for their cooperation and assistance during the course of this review. Please feel free to contact our office at (610) 344-6064 should you have any questions or concerns or if you wish to schedule an exit conference. An exit conference is held at the request of the auditee to discuss specific concerns that were not resolved during the closing conference.
A final copy of this management letter and the corresponding Independent Auditor’s Report on Internal Control over Financial Reporting and on Compliance and Other Matters will be transmitted electronically to you and the members of the Prison Board upon receipt of your responses. In addition, since audit reports are a matter of public record, your final report and management letter will be posted on the Controller’s webpage within one week of issuance.

PRISON INMATE FUND

SUMMARY OF FINDINGS AND RECOMMENDATIONS
FOR THE YEAR ENDED DECEMBER 31, 2017

Cash and Petty Cash
Cash is reconciled and cash adjustments are reviewed at 100%. Petty cash is counted during the course of the on-site fieldwork.

There were no internal control or procedural weaknesses noted within our sample.

Liabilities
Liability balances are reconciled and reviewed at 100%; specifically to ensure accurate recording of liabilities and the verification of subsequent payments following year end.

There were no internal control or procedural weaknesses noted within our sample.

Accounts Receivable
Accounts Receivable are reconciled and reviewed at 100%.

There were no internal control or procedural weaknesses noted within our sample.

For the following areas, transactions are reviewed on a sample basis according to risk. The current year risk assessment is based on prior year audit results.

Cash Receipts
The sample size tested for the year ended 12/31/17 was determined to be 20 out of a population of 34,284 receipts issued during the year.

There were no internal control or procedural weaknesses noted within our sample.

Cash Disbursements
The sample size tested for the year ended 12/31/17 was determined to be 20 out of a population of 2,527 checks issued during the year.

There were no internal control or procedural weaknesses noted within our sample.
voided receipts

the sample size tested for the year ended 12/31/17 was determined to be 15 out of a population of 217 receipts voided during the year.
