The Lethal Weapons Training Act 235 provides certification to privately employed agents to carry a lethal weapon. A lethal weapon is any firearm, device, instrument, material, or any other substance that is capable of bringing about great bodily harm or death. The Lethal Weapons Training Act incorporates education and training as part of being a certified agent.

*The Mission of the Department of Emergency Services is to promote and assist in providing safety and security to Chester County citizens so they can work, live, and grow in a healthy and safe community.*
