

Mysteries of Medicare - Are You Enrolled in Medicare or Turning 65 Soon?

In either case, PA MEDI, the State Health Insurance Assistance Program (“SHIP”) of Pennsylvania, can help you to understand your health care coverage options so you can make sound choices - both when new to Medicare and on an ongoing basis. PA MEDI counselors are specially-trained volunteers who can answer questions about Medicare, Medigap plans, Medicare Advantage Plans, Medicare Prescription Plans and more. Our services are confidential and unbiased. In Chester County, PA MEDI operates under the Chester County Department of Aging Services. We are funded through the Administration for Community Living under the US Department of Health and Human Services.

Most people are overwhelmed by the deluge of information sent to them when they become Medicare eligible. A “Medicare 101” presentation provided by a PA MEDI counselor can help you understand when and how to enroll and your options for coverage in addition to basic Medicare. Our services go beyond your initial enrollment. We can help you evaluate your coverage during the Annual Open Enrollment Period (AOEP), October 15th through December 7th, help file an appeal if a claim is denied, help low income individuals apply for and navigate various assistance programs such as Medicaid and PACE, and generally answer your questions on Medicare and related health insurance. We offer one-on-one meetings with a PA MEDI counselor at ten convenient locations across Chester County (see below), and you can also contact us by phone (610-344-5004, option 2) and email (smilam@chesco.org). During AOEP, we hold special counseling sessions at senior centers, libraries and other locations.
