

## Accessing the Mental Health System

**In any emergency situation, call Valley Creek at 610-280-3270 or 1-877-918-2100, 24 hours/day, 7 days/week, or go to your local emergency room.**

- For Mental Health Services, contact one of the service providers below. A service provider offers direction, coordination and clinical services.
- As part of the assessment, the provider will review insurance coverage and need for additional services. This may include:
  - Clinical Services (Psychiatry, Therapy, Case Management)
  - Support/Advocacy Groups (National Alliance on Mental Illness(NAMI), Community Support Programs, Peer Support, etc.)
