

Maximizing Social Security Benefits While Working

PASSABCO (PA/Social Security Administration Benefits Counseling and Assistance Project) is an available resource funded by the Social Security Administration to assist 881 and SSDI beneficiaries who want to work:

- Understand how employment impacts Social Security benefits
- Understand how employment relates to health care benefits
- How to access SSA and other work incentives (ex: Medical Assistance for Workers with Disabilities, Ticket to Work)
- Help beneficiaries identify and access employment services

The following agencies are providers of this service:

- Goodwill Industries, 1-866-541-7005 or www.yourgoodwill.org
- AHEDD, 1-866-560-1600 or www.ahedd.org (target is working with transition aged individuals 16-26)
