NOTICE TO CHESTER COUNTY VETERANS

The Chester County Recorder of Deeds is the custodian of all recorded military discharges. Chester County records date back to 1901 for the veterans who had their discharge (DD-214) recorded in the county.

Veterans who resided in another county/state when they were discharged may have had their DD-214 recorded in that county/state, however it is recommended that the veteran also record the DD-214 in the county where the veteran currently resides.

Veterans may come into our office at 313 W. Market Street, Ste 3302, West Chester, PA 19380 to record their DD-214 recorded. There is no charge to have the DD-214 recorded and the Recorder of Deeds office will provide a complimentary certified copy. The Recorder and his staff appreciate what our veterans have done to keep our country safe and are honored to provide this service free-of-charge.

CHESTER COUNTY VETERANS ID & DISCOUNT PROGRAM
