If you are experiencing significant symptoms or a medical emergency, contact your physician or call 9-1-1. Call ahead to the emergency department or tell the 911 operator about your symptoms and any COVID-19 exposure.

**Significant Symptoms include:**
- Severe shortness of breath
- Persistent pain or pressure in the chest
- New confusion or inability to arouse
- Bluish lips or face

**TEST RESULTS**

Contact the physician who ordered the test for results. The Chester County Health Department only follows up with positive cases.

**Continue to practice prevention:**
- Wash hands often
- Disinfect surfaces
- Social distancing

**If you are sick, stay home until:**
- No fever for at least 72 hours without medicine
- Other symptoms have improved
- At least 7 days have passed since your symptoms first appeared
