

## Chester County Health Department

The Chester County Health Department (CCHD) is sharing the following guidance for **regarding discharge of homeless individuals from hospitals, or a correctional facility, in DELAWARE COUNTY.**

**The following pertains to DELAWARE COUNTY ONLY** (guidance for Chester County is forthcoming).

If a medically stable homeless individual with a positive COVID-19 result or symptoms of COVID-19 is being discharged from the hospital or correctional facility, he/she **MUST NOT BE** released to a shelter, or other congregate living environment. In such situations, contact **Community Action Agency** at **610-874-8451** for coordination. Community Action Agency can be contacted 24/7. After hours calls will be handled by an answering service.

**Questions should be directed to Jessica Fink at 610-812-4771.**

**Please distribute to staff responsible for coordinating discharge plans.**
