

Process for First Responder Exposure to COVID-19

Step 1. If you have been exposure to someone with COVID-19, report it to your supervisor.

Step 2. Supervisor completes report form for Chester County Health Department:
https://chesterco.az1.qualtrics.com/jfe/form/SV_a4WV6jSYDXpARtX

Step 3. Chester County Health Department will contact your supervisor to assess your potential exposure.

Step 4. You and your supervisor will receive guidance via email from Chester County Health Department to provide the appropriate guidance.
