

**A DIRECTORY OF RESPITE CARE PROVIDERS
FOR CHESTER COUNTY**

2021

RESPITE CARE is a service that allows family caregivers to have a brief rest from their sometimes-overwhelming obligations.

SERVICES OFFERED: Services range from personal care services to skilled nursing and rehabilitation therapy; level of care and types of services vary with the providing agency. Respite services may be provided by home health agencies, adult day care centers, or skilled nursing facilities. Respite stays may be for a few hours, a few days or even several weeks.
