

2020 Community Revitalization Program Funding Awards

August 2020

Municipality	Project Title	Description	Award
Borough of Atglen	Ridge Avenue Water Main Replacement, Phase 2	This project proposes replacement of the 4" asbestos cement/cast-iron water main along Ridge Avenue between High Street and Israel Mill Road with new 8" ductile iron water main. The Ridge Avenue water main is one of the main transmission lines from the Borough's water supply to its water distribution system.	\$ 506,880.00
Borough of Honey Brook	North Chestnut St. Curb, Sidewalk, and Road Rehabilitation	The proposed activity includes ADA compliant sidewalks, curbs, storm water improvements, and street paving repair. The improvements would rehabilitate the existing curb and sidewalk northward about 750 feet along the west side of Chestnut Street from its intersection with Route 322 (Horseshoe Pike) to Water Street.	\$ 139,975.00
Borough of Oxford	Downtown Oxford Access & Pedestrian Safety Improvements	This project proposes to remedy structural roadway problems, pedestrian safety issues, and multimodal circulation conflicts along area roadways and sidewalks in an area adjacent to the new parking and public transportation center, and other amenities in downtown Oxford.	\$ 650,000.00
Borough of Spring City	ADA Compliant Public Parking Improvements	This project proposes the revitalization of a vacant lot to construct an ADA compliant, terraced parking lot free to the general public. The lot is located in the business district of downtown Spring City where there is currently no off-street public parking.	\$ 550,000.00
City of Coatesville	Train Station Parking Garage	CRP funds would be used for construction of a parking garage within the City's revitalization district. The 450-space parking garage will serve regional rail riders for Amtrak and SEPTA users. SEPTA service is expected to return to the City by 2022 with between 350 to 430 boardings a day. <i>Note: \$500,000 of CRP funds were awarded to this activity in 2019.</i>	\$ 500,000.00
Total			\$ 2,346,855.00
