**CDBG** - Community Development Block Grant, **CSBG** - Community Services Block Grant, **ESG** - Emergency Solutions Grant, **HOME CHDO** - Community Housing Development Organization, **HTP** - Housing Trust Program
Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The U.S. Department of Housing and Urban Development (HUD) allocates entitlement block grant funding to local and state governments to carry out a variety of housing and community development activities. The Action Plan presents the specific activities that will be undertaken in 2021 to achieve Chester County's five-year Consolidated Plan (2018-2022) strategies and goals pertaining to affordable housing, homelessness, special needs housing, and economic and community development. In addition, the Action Plan assigns Objectives and Outcomes to each funded activity for 2021. This system facilitates the reporting of accomplishments for each of these activities at the close of the program year. The specific Outcomes and Objectives for each activity can be found in AP-20 Annual goals and objectives.

The 2021 Action Plan is the formal application to HUD for these entitlement block grants based on estimated funding levels, and administered by the Chester County Department of Community Development (DCD):

- Community Development Block Grant: $2,593,104
- HOME Investment Partnerships: $1,099,485
- Emergency Solutions Grant: $220,571

The 2021 Action Plan also describes how the County plans to use Housing Trust Program (HTP) funds, which are generated from fees associated with real estate transactions, for affordable housing activities.

As Chester County's Community Action Agency, DCD will administer Community Services Block Grant funding, subcontracting with local non-profit agencies to carry out activities such as case management and job readiness programs that are designed to help people become self-sufficient. The many activities and initiatives are designed to strengthen both communities and individuals. Over 95% of the funds will be utilized to benefit low to moderate income county residents.

In an effort to focus attention on the areas of greatest need, DCD funding is typically concentrated in urban centers, with resources allocated for countywide activities. DCD will work closely with local governments, nonprofit agencies, housing developers, and concerned residents during 2021 to ensure that the hard work and designated funding has a positive impact throughout the county. Furthermore, all activities will be completed in accordance with and in an effort to achieve the goals and actions of the Chester County Assessment of Fair Housing, 2018-2022.

Due to the receipt of over $34 million in U.S. Treasury and PA Department of Human Services Emergency Rental Assistance Program funding, DCD will prioritize the allocation of rent and utility assistance to eligible households while complying with its established Duplication of Benefits procedure.
2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

Detailed information regarding 2021 goals and objectives is included in section AP-20 of the Annual Plan. The Chester County Consolidated Plan, 2018-2022 identifies the following goals:

- Support Affordable Housing Activities
- Support Efforts to Prevent and End Homelessness
- Support Vital Public Service Activities
- Support Public Facility and Infrastructure Improvements
- Support Economic Development

These goals seek to address priority needs, including:

- Chronically Homeless
- Fair Housing
- General Occupancy Rental Units
- Homeless Prevention
- Housing Stabilization Services
- Promoting and Sustaining Homeownership
- Public Facilities
- Public Infrastructure

Furthermore, the goals and actions in this plan will affirmatively further fair housing by referencing the Chester County Assessment of Fair Housing, 2018-2022.

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

At the end of each program year, a Consolidated Annual Performance and Evaluation Report (CAPER) is compiled. The CAPER explains how the previous year’s activities fared and documents the County's progress toward achieving the Consolidated Plan's goals and objectives. DCD uses the CAPER as a summary of the accomplishments resulting from funded activities during the preceding calendar year, which helps define how future funds are allocated. In 2018, DCD restructured its Request for Proposals (RFP) scoring process to take past performance more strongly into account.
4. **Summary of Citizen Participation Process and consultation process**

Summary from citizen participation section of plan.

To notify the public about the Action Plan, DCD runs a public announcement ad in the Daily Local News, as well as its e-newsletter to approximately 1,150 subscribers, notifying the public the Action Plan is available to view for a 30 day public comment period. The Action Plan is posted at www.chesco.org/ccdd. Additional accommodations to review and comment are considered on a case-by-case basis due to COVID-19. In addition to this, a public hearing is held at an accessible location in which the Action Plan is explained and public comments are recorded.

The 2021 Action Plan Public Hearing was held on December 16, 2020 to listen to citizens' needs and help to direct the County's goals. DCD takes into account public feedback during the goal setting and planning process.

5. **Summary of public comments**

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

Patrick Bokovitz, Director of Chester County Department of Community Development
Government Services Center
AP-10 Consultation – 91.100, 91.200(b), 91.215(l)

1. Introduction

The priority needs and goals identified by the Chester County Department of Community Development (DCD) in its Consolidated Plan, 2018-2022 will guide its future funding awards and programming for the Community Development Block Grant (CDBG), Emergency Solutions Grant (ESG), and HOME Investment Partnerships Program (HOME), as well as allocations of its Housing Trust Program. The consolidated planning process began with the development of the Chester County Assessment of Fair Housing, 2018-2022, partnering with the Housing Authority of Chester County (HACC).

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(l))

DCD has strong partnerships and coordinates with many agencies in the community. For example, DCD has a memorandum of understanding with the Chester County Department of Human Services to administer HealthChoices Reinvestment funds to further housing options for persons with mental health disabilities.

The DCD Director, Deputy Director, and other staff participate in a variety of community activities and boards throughout the county. The DCD Director also serves as the local Workforce Development Board Director and the Chair of the Board of the Housing Authority of Chester County. Decade to Doorways, which will begin a formal transition to become the Chester County Partnership to End Homelessness in 2021, plays a critical role in facilitating these partnerships between public agencies and non-profit organizations, including service providers, through shared data about vulnerable populations.

Decade to Doorways has a Governance Board that oversees a variety of working committees. The committees focus on specific issues such as coordinated entry oversight, system performance outcome measurement, the Continuum of Care application, data quality management, permanent housing options, and community outreach. This strengthens efforts to provide community service, housing, health, workforce, and other needs for Chester County residents.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

Chester County, through the Department of Community Development (DCD), serves as the jurisdiction's Continuum of Care Lead Agency. The Decade to Doorways Plan to Prevent and End Homelessness serves as the guiding document that outlines the goals, strategies and benchmarks to be accomplished to address the needs of persons experiencing homelessness. Program efforts focus specifically on vulnerable populations, including the chronically homeless and families experiencing homelessness.
Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS.

Serving as the jurisdiction's Continuum of Care Lead Agency, DCD makes funding recommendations to the County Board of Commissioners based on the goals and strategies outlined in the Consolidated Plan and Decade to Doorways Implementation and Governance Structure. The Commissioners ultimately decide whether to approve those recommendations. DCD, as the CoC lead, is also responsible for establishing the policies and procedures and for the administration of the jurisdiction's Chester County Client Information Management System (CCCIMS). DCD employs a dedicated CCCIMS manager to ensure data integrity and maintain compliance with all federal HMIS and Hearth Act regulations.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction’s consultations with housing, social service agencies and other entities.

| Members of each County department receive DCD's e-newsletters and most follow DCD on social media. DCD has ongoing relationships through a variety of County of Chester partnerships to solicit input on planned activities. The Chester County Health Department collaborates on lead mitigation efforts, and provides data and information on various public health initiatives. The Chester County Planning Commission and the Chester County Water Resources Authority provide input on proposed Action Plan activities to advise on potential impacts. The Department of Emergency Services receives and shares information on floodplain areas through its oversight of the Chester County All Hazards Mitigation Plan. It also engages with telecommunications companies, including broadband service providers, to implement ChescoAlerts to mitigate any broadband emergency access issues. In November 2020, DCD sent out an e-newsletter "Free AT&T Wireless Internet Service and Mobile Wi-fi" in November 2020 for low income households, and encouraged providers to share with their constituents. DCD applied for and received a PA Department of Labor and Industry grant to fund a broadband access study in Southern Chester County, with the hope to replicate it for other communities with broadband needs. The Chester County Library System provides free wi-fi and internet access at all of its 18 locations throughout the county, ensuring access to free connectivity at a location easily accessible to most County residents. |}

Expected Resources

AP-15 Expected Resources – 91.220(c)(1,2)

Introduction

The County of Chester anticipates receiving Community Development Block Grant, Emergency Solutions Grant, and HOME Investment Partnerships Program funds from HUD, during the five year period of this Consolidated Plan. These funding sources will also be leveraged by the county’s Housing Trust Fund and other available resources such as the Community Services Block Grant. Given uncertainty regarding future funding levels, the projections for 2019-2022 listed below were created using the County of Chester’s 2017 entitlement award amounts.

Table 5 - Expected Resources – Priority Table

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

Chester County uses a variety of other sources to supplement its federal entitlement funding from HUD. Additionally, its subrecipients frequently use public funding, foundation and corporate grants, private loans, in kind contributions, and general donations. In many cases, the credibility and commitment that accompany a federal funding award letter reassures other grant makers about the quality of the activity. Knowing this, the Department of Community Development (DCD), takes seriously the obligation to work with its community partners.

The DCD entitlement application requires that applicants identify their efforts in obtaining other public and private resources that address needs identified in the Consolidated Plan, as well as other critical County planning documents. DCD encourages applicants to secure leveraged funding for proposed activities. All agencies receiving entitlement funding are required to provide a certification of any matching funds for the activity. This certification is documented in the agency’s file and is applied to the HOME match report.

It is important to note that DCD receives County Housing Trust Program and Community Revitalization Program funding that is allocated to activities supporting housing and community development initiatives. In 2020, DCD leveraged nearly $3 million of these funds to address needs identified in the Consolidated Plan.

Annual Action Plan
2021
Housing activities funded by DCD usually utilize some combination of HUD entitlement funds, state grant funding through the Pennsylvania Housing Finance Agency's PennHOMES, national housing trust, or the Pennsylvania Housing Affordability and Rehabilitation Enhancement (PHARE) State Housing Trust Fund programs, tax credits and other funding such as HUD's Section 202 program for elderly housing. Similarly, community services and homeless assistance activities typically leverage private foundation funding. Leveraged funds for the First Time Homebuyer program come from loans from private lending institutions.
If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Discussion

In addition to leveraging available funds to offer programs and services to Chester County residents, DCD routinely provides letters of support or certifications of consistency with the Consolidated Plan to agencies when they apply for other funding to support activities that address the identified needs.

Projecting entitlement funding allocations through program year 2022 is challenging due to uncertainty in the federal budget. For the purposes of completing the Consolidated Plan, the 2019-2022 projections were based off of 2017 entitlement amounts.

Table 7 - Project Information

Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

A diverse array of services will be carried out in 2021 for individuals and families in need. Significant funding is also allocated increasing affordable housing in Chester County, including both rental and homeownership opportunities, as well as supporting a variety of rehabilitation activities to sustain homeownership. Continued emphasis is placed on funding housing and community support activities that provide financial assistance, public services, and other means of assistance aimed at housing stabilization and homelessness prevention. Funding for emergency shelter operations and maintenance is also supported.

It should be noted that the projects do not contain a comprehensive list of activities funded by the Chester County Department of Community Development (DCD). Additional funding sources, including Continuum of Care, Workforce Innovation and Opportunity Act (WIOA), state housing trust, Human Services Block Grant, and Community Services Block Grant, among others, leverage DCD's use of HUD grants.

AP-50 Geographic Distribution – 91.220(f)

Description of the geographic areas of the entitlement (including areas of low-income and minority concentration) where assistance will be directed

The 2021 Action plan activities provide services to income-eligible persons throughout Chester County. Geographically, activities planned for 2021 funding cover a very diverse area, although urban center areas typically see the greatest need for providing assistance to low-income clients. Historically, funding has focused on urban center locations that include the City of Coatesville, Phoenixville, West Chester, Oxford, South Coatesville, and Kennett Square. Efforts have been made in 2018 funding decisions to allocate resources in proximity to these areas of greatest need.

Rationale for the priorities for allocating investments geographically

Comprised of 759 square miles, Chester County in a suburban setting, Chester County has a median household income of $102,016 (2019 American Community Survey 1-year estimates). Despite the relative wealth, there are many areas of low-income concentration that are found mainly in the urban center municipalities. The rationale for allocating investments to assist low-income populations is formed based on the needs as they exist. DCD works to fund a mix of activities: some that provide services throughout the county and some that are easily accessible to those who live in urban center locations.

Discussion

In 2021, the majority of funding awards will serve the entire county area. Many of these county-wide programs serve citizens of the Coatesville Neighborhood Revitalization Strategy area (NRSA), including
activities within the coatesville nrsa include:

- cywa rehabilitation of residential housing
- cywa shelter and case management

activities located within low/mod areas include:

- borough of phoenixville gay street streetscapes
- valley township wagontown road reconstruction

the chester county department of community development also funds providers operating in the nrsa with community service block grant funds. these programs provide homeless services, case management, and income tax assistance.

Discussion

Construction on Church Housing's Melton Center Apartments (51 general occupancy units in West Chester) should be completed in 2021. DVDC's Red Clay Manor (61 senior units) will be completed in 2022. Other affordable housing awards include Pennrose Liberty House (50 units) and Hankin Group's Phoenixville Senior Housing (50 units for individuals 62+). Awards for 2021 include: Ingerman Group's Willows at Valley Run (60 general occupancy units) in Caln Township and Church Housing's Pikeland Commons (48 general occupancy units) in East Pikeland Township.

In December 2020, Community Basics notified DCD that it would not submit a third application for low income housing tax credit funding for its Aston Parke Apartments (57 units for individuals 55+) proposal. This activity was originally included in DCD's 2019 Action Plan.
AP-60 Public Housing – 91.220(h)

Introduction

The Housing Authority of Chester County (HACC) has 331 Public Housing (PH) units, of which 125 are owned and managed by other entities. Of the 206 PH units owned and managed by HACC, only 26 are family units; the balance are elderly/disabled apartments in three mid-rise buildings and one garden style complex. It also administers 1,800 Housing Choice Vouchers. The Director of the Chester County Department of Community Development (DCD) was reappointed to the Board of Commissioners of the HACC. This involvement helps to guide the activities of HACC, and to increase communication and coordination between DCD and HACC.

Actions planned during the next year to address the needs to public housing

HACC completed its FY 2021 Annual Plan as well as the Five Year Capital Fund Plan for FY 2018-2022. The Capital Fund Program, which addresses public housing needs only, includes the following activities for FY 2021:

- Maple, Spruce and Locust Courts (only family site), West Chester – major renovation of townhouses as they become vacant; new windows for Locust Court has been completed.
- For all elderly/disabled sites, replace all outside entrance fire doors.
- King Terrace apartments – purchase and installation of uniform air conditioners for each unit (to replace tenant supplied units).
- Oxford Terrace - new trash compactor, roof and gutter replacement, new windows
- Roof and gutter replacement at Maple/Locust Court and Church towers.
- Replacement of all canopies at Locust Court

Actions to encourage public housing residents to become more involved in management and participate in homeownership

HACC has established Resident Councils at each development. Elections are held annually, for which HACC monitors and certifies the results. HACC also provides funds to each Resident Council for activities. The president of one of these Resident Councils serves on the HACC’s Board of Commissioners as the resident representative. One of the Resident Councils has filed to become a 501(c)3. Concerning homeownership, HACC has a program to encourage and provide assistance to housing choice voucher (HCV) recipients who meet the criteria. The goal of homeownership will be a major program activity for the Family Self-Sufficiency Program. The Family Self-Sufficiency Program has 75 participants and will continue to work with participants who are interested in homeownership to connect them to resources.

Additionally, HACC has created and will continue to expand its Supportive Services and Special Programs Division. In 2020 HACC was awarded a grant from HUD for the Resident Opportunities and Self-
Sufficiency Program (ROSS) which provides services to each public housing site.

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

Discussion

In 2021, HACC will review and strengthen the effectiveness of the management improvements begun in 2011. Most planned activities have been successfully completed. The website will continue to be retooled and modernized to make it more efficient, viable and user friendly.

The HCV Program administered by the HACC expects to receive approximately $16.6 million in HUD funding for 2021, although funding levels are uncertain. Failure to receive full funding allocation may result in reductions in program services. Dependent upon adequate federal funding, the HACC will continue to issue vouchers (as available) to those at the top of the waiting list and to VASH referrals from the U.S. Department of Veterans Affairs. HACC was awarded an additional 60 Mainstream Vouchers with funding that begins November 1, 2021.

As funding permits, HACC will continue to support development and redevelopment of affordable housing through the provision of project based vouchers. Effective April 1, 2018 HACC approved Small Area Fair Market Rents, which establish four tiers of payment standards based on zip codes. These FMRs changed again on October 1, 2018 so that the FMRs correspond to six groups according to zip code.

The Housing Authority will continue to implement its preference system in accordance with HUD’s PIH 2013-2015 to facilitate addressing the needs to specific populations such as homeless individuals. This activity is an integral part of its active participation in the County’s Decade to Doorways initiative to end homelessness, working with five agencies that receive homeless shelter funding to implement a referral system for the homeless families. Qualification for this program will be dependent upon positioning of potential referrals Chester County's standardized homelessness assessment.
AP-65 Homeless and Other Special Needs Activities – 91.220(i)

Introduction

This section includes an overview of the programs that will be funded in Chester County in 2021, for the homeless and those with special needs. The activities address the emergency shelter and transitional housing needs of homeless individuals and families, along with homeless prevention activities especially for individuals and families with children who have incomes below 30% of the area median income. Activities are also funded to address the special needs of those who are not homeless (i.e., elderly, frail elderly, persons with physical and/or mental disabilities, health, persons with HIV/AIDS, and/or persons with alcohol or other substance abuse problems).

DCD also received more than $34 million of Emergency Rental Assistance Program funds from the U.S. Treasury and PA Department of Human Services. Through existing system partnerships, DCD is working with several providers to effectively deploy these funds to households in need of rental and utility assistance to reduce the risk of homelessness. DCD and its providers will continue to comply with all applicable guidelines and its established Duplication of Benefits procedure.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

In 2021:

- DCD will fund the United Way of Chester County to serve as the provider for Chester County’s Coordinated Entry System Call Center;
- Open Hearth, Inc. is being funded to provide for the Goal Achievement Program; Financial Savings Partner Program; and Financial Insight and Resource Management Program (GAP/FSP/FIRM) to assist those who are homeless or at risk of becoming homeless; emergency housing for those who are homeless and seeking mental health treatment; financial education and counseling, information and social service referral, and an asset development program for 305 persons;

Addressing the emergency shelter and transitional housing needs of homeless persons

- Community, Youth, and Women’s Alliance is being funded to provide emergency shelter to 100 households;
- Safe Harbor of Chester County is being funded to provide general operating and case
management services for 100 single homeless residents

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

Leveraging additional funding sources, the Chester County Department of Community Development contracts for the provision of the following programs to offer enhanced services to homeless individuals and families:

- Housing Stability Case Management, assisting formerly homeless individuals and families in obtaining the supports they need to maintain permanent housing
- Targeted Population Coordinator, focusing services on the chronically homeless and other specifically barried populations

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

In 2021:

- Human Services, Inc. is being funded to provide rental assistance for housing stabilization and homelessness prevention to 40 households;
- Kennett Area Community Services is being funded to provide homeless prevention, diversion, and intervention assistance to 40 households;
- Legal Aid of Southeastern Pennsylvania is receiving funding to provide legal advice and representation to prevent 55 low income Chester County residents from experiencing homelessness by helping them maintain current housing and stabilize expenses.

Discussion

Decade to Doorways (D2D): The Community Plan to Prevent and End Homelessness is a county-wide, solution-focused, strategic action plan to prevent and end homelessness using a Housing First philosophy. This initiative will begin transitioning to become known as the Chester County Partnership to End Homelessness in 2021. The plan outlines a “systems change” approach that aligns all sectors of
our community, in a collaborative and coordinated response to preventing and ending homelessness. This change occurs by shifting from a current system that manages homelessness to a new approach that diverts, prevents and rapidly re-houses individuals and families; recognizing that housing is a primary human need and a right for everyone in our community.
AP-75 Barriers to affordable housing – 91.220(j)

Introduction:

The Chester County Department of Community Development (DCD) supports local housing initiatives by ensuring that diverse and affordable housing options are available across the county. Within Chester County, there is a high cost of housing. According to the 2019 American Community Survey (ACS) 1-year Estimates, the median value of a home in Chester County is $379,300, which is significantly higher than the median value for Pennsylvania. Generally, Chester County has a low supply of affordable renter and homeowner housing. Developing new affordable housing is limited due to the availability of land high opportunity areas in conjunction with the high land values and development costs such as site infrastructure. The ACS also reports that nearly half of the County's renters are cost burdened, as evidenced by the 41.3% of residents that pay more 30% of their monthly income toward housing costs.

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment

Several actions are currently in effect to remove and ameliorate barriers to affordable housing within the county. The Coordinated Entry System, which was revamped in 2020, helps to prevent, divert, and rapidly re-house those experiencing homelessness. These programs operate in compliance with U.S. Department of Housing and Urban Development (HUD) requirements as described in the HEARTH Act, and leverages the capability of Homeless Management Information System (HMIS) to track client and program performance data.

Other strategies to be implemented in 2021:

- Sharing information from the Housing Authority of Chester County (HACC) on the Housing Choice Voucher Program and HACC public housing with landlords, residents, and municipal officials.
- The Department of Community Development's (DCD) Entitlement Application requires municipal applicants to submit a zoning ordinance and Fair Housing Compliance Certification Form.
- Housing agencies will continue to be supported by DCD funding in their efforts to provide homeownership counseling and down payment/closing cost assistance to first time homebuyers. DCD will fund fair housing workshops throughout the year that will be available to municipal officials, service providers, Chester County staff, and the community. Public Awareness activities with a focus on Fair Housing will be held on an ongoing basis. DCD will also prepare and send a minimum of four (4) fair housing e-newsletters.
- DCD will continue meeting with the Chester County Planning Commission to engage regional
affordable housing developers in efforts to discuss how to remove barriers to affordable housing in Chester County.

- HACC will continue to provide Housing Locator services, which are an important component to continue Chester County’s approach to rapid rehousing and the Housing First philosophy in dealing with the issues of homelessness. The Housing Locator will assist in finding affordable housing for individuals and families experiencing homelessness, as well as organize landlord workshops.

Discussion:

Efforts continue to strive toward providing more affordable housing across Chester County. By working with organizations, such as HACC, the Planning Commission, developers, and community housing development organizations (CHDOs), DCD can address the barriers to affordable housing on multiple levels by building effective partnerships to maximize resources and increase public awareness.

In addition to providing a link to pahousingsearch.com on its website, DCD also posts quarterly inventory updates to all affordable housing developments that it has funded. DCD also publishes e-newsletters at the request of housing properties with vacancies, as well as when new properties are completed and begin the lease-up process.

A copy of the Action Plan from the Chester County Assessment of Fair Housing, 2018-2022 is attached. The Action Plan will assist Chester County in its efforts to affirmatively further fair housing.
AP-85 Other Actions – 91.220(k)

Introduction:

The Housing Authority of Chester County (HACC) and Chester County have organized a Landlord Forum the past ten years to facilitate the increase in supply and effectiveness of housing for low income families, people with disabilities, and older adults in the County. The goals of these forums are to inform landlords of community resources, learn from landlords about their positive and negative experiences with target populations, and to identify ways to collaborate with landlords to overcome barriers and increase affordable housing opportunities. Collaborative efforts continue to focus on recruiting new landlords and to dispel misconceptions about the Housing Choice Voucher Program, as well as highlighting the Program’s benefits for landlords.

Actions planned to address obstacles to meeting underserved needs

The following activities will be funded in 2021 to address obstacles to meeting underserved needs:

- The Housing Partnership of Chester County (HPCC) will provide credit counseling for individuals who are having credit issues in order to prevent future credit problems, develop a household budget, and set goals in which results would be achieved. Many individuals have succeeded in this program and gone on to purchase homes through HPCC’s first time homebuyer program
- Open Hearth, Inc, will continue its Goal Achievement Program, Family Savings Partner Program, Financial Insight Resource Management (GAP/FSP/FIRM) to assist consumers with financial literacy and self sufficiency. It will also staff a Targeted Population Coordinator to serve the chronically homeless
- Oxford Area Neighborhood Services Center will receive funding for a Housing Resource Coordinator to increase integration of services in southern Chester County

Funded through non-entitlement funding sources:

- Chester County OIC: Nurse Aide training program
- Domestic Violence Shelter of Chester County: Emergency Shelter
- Good Samaritan Services: Emergency Shelter
- Housing Authority of Chester County: Housing Locator
- Human Services, Inc.'s SOAR program (SSI/SSD Outreach, Access, and Recovery) assists those needing documentation and applying for benefits
- Life Transforming Ministries: Volunteer Income Tax Assistance (VITA)
- North Star of Chester county: Rental Assistance and Case Management
- PA Home of the Sparrow: Shared Housing Program
- W.C. Atkinson: Shelter for Homeless Men

To serve those with disabilities, DCD funds a variety of activities through non-entitlement funding
sources:

- Handi-Crafters will receive funding for its Independent Living Solutions Program, which provides one-on-one case management focused on housing placement services for those who are disabled and facing homelessness, dealing with a housing crisis or in a shelter looking for safe, stabilized, appropriate and affordable housing across Chester County.
- As the lead entity for the Chester County Continuum of Care, DCD funds a variety of housing options for those with mental health needs. A County staff member focuses specifically on serving individuals with mental health needs to maintain stable housing.

The Chester County Department of Community Development Language Access Plan (LAP) for Limited English Proficient (LEP) Persons was adopted in 2017. This LAP uses the four factor analysis to identify how to improve access to federally assisted programs and activities for LEP individuals. DCD, through the provision of translated materials, use of bilingual staff, and access to a language access line, will utilize available tools to meet underserved needs among those that do not speak English.

In 2017, DCD updated its Affirmative Marketing Plan and its strategies in accordance with HUD guidelines to more effectively reach those least likely to apply for housing.

DCD will include efforts to expand outreach to minority and women owned businesses (MBE/WBE). DCD will leverage the Pennsylvania Housing Finance Agency's MBE/WBE business directory (https://mwbe.phfa.org/), which includes search options to filter down to the county level and desired business type or trade. Additional efforts include posting information to the DCD website for eligible businesses that want to be added to the directory. The complete listing of MBE/WBE businesses will be provided by DCD's construction team at pre-bid meetings, as well as at the request of municipalities and organizations carrying out construction activities.

**Actions planned to foster and maintain affordable housing**

In 2021, the Housing Equality Center of PA (HECP) will be funded to conduct education and outreach activities for housing consumers, housing providers, social service agencies, and other stakeholders in Chester County in an effort to further its mission to ensure equal access to housing opportunities for all persons. In addition, the education and outreach program will assist local municipalities, landlords, realtors, and mortgage brokers to affirmatively further fair housing and remain compliant with the federal Fair Housing Act.

These efforts will assist community residents with maintaining current housing, avoiding costly evictions, premature moves and help prevent homelessness. HECP will also continue to participate in the Landlord Forum, educating landlords on Fair Housing Act. HECP will assist in the preparation of fair housing e-newsletters and conduct targeted mailings to Chester County landlords and libraries, and distribute fair housing materials. HECP brochures and educational materials will be provided to the DCD, the County Assistance Office, Coatesville Veterans Affairs, and the Social Security office to distribute to consumers.
residents, and landlords who reside and/or operate real estate businesses in Chester County. It will also facilitate two fair housing presentations to be sponsored by DCD.

The Housing Authority of Chester County's (HACC) Housing Locator will assist in identifying affordable housing opportunities that exist in Chester County. This outreach includes targeted efforts to expand the database of known affordable units in Chester County, as well as the number of landlords that accept Housing Choice Vouchers, particularly in opportunity areas. DCD and HACC will also coordinate efforts and meet regularly to ensure progress toward meeting identified goals in the Chester County Assessment of Fair Housing (AFH), 2018-2022 (see attached AFH Action Plan for description of activities to be undertaken in 2021).

**Actions planned to reduce lead-based paint hazards**

The County's Emergency Lead Hazard Reduction Program Policy combines the forces of the Chester County Health Department (CCHD), Department of Community Development (DCD), and Housing Partnership of Chester County (HPCC) in utilizing CDBG funds to eliminate lead hazards in low income households. CCHD is thoroughly familiar with the requirements of HUD’s Regulations on Lead Based Paint Hazards in Federally Owned Housing and Housing Receiving Federal Assistance. HPCC administers the Lead Hazard Reduction Program for DCD in conjunction with its Homeowners Rehabilitation Program. All contractors participating in the Homeowners Rehabilitation Program have U.S. Environmental Protection Agency Lead Hazard Control Certifications, which are regulated through the Commonwealth of Pennsylvania.

When CCHD determines that lead hazards exist in a home, the owner of the property is issued a written notice to reduce or eliminate the hazard. Qualifying families receive CDBG funds to cover the cost of the lead hazard control work. This lead hazard control process has been designed with the rehabilitation hard costs predetermined to be between $5,000 and $25,000, which is typical for most rehabilitation activities in the County. Per HUD Lead Regulations, rehabilitation hard costs are the construction costs excluding the costs to reduce lead hazards. The rehabilitation work performed as a result of the lead based paint risk assessment will not be considered rehabilitation hard costs, but will instead be identified as lead reduction. If the rehabilitation hard costs exceed $25,000 per unit, then the activity must abate all of the lead based paint hazards in the unit. The rehabilitation activities over $25,000 per unit will be addressed on an individual basis. Otherwise all rehabilitation activities under $25,000 will utilize interim controls that best suit the property.

DCD uses the most cost effective controls available for the situation, which will eliminate future lead based paint hazards while providing attractive, safe, and affordable housing. The manner in which the lead hazard reduction will occur is made based on the recommendation of the CCHD’s Inspector and Environmental Health Specialist Risk Assessor conducting the risk assessment. CCHD is currently under a contract with DCD to provide risk assessments and clearance examinations for rehabilitation.
of properties within the county. The County of Chester will continue its efforts to reduce the harmful effects of lead based paint over the next year. CCHD and DCD will continue to work together to monitor the health and safety risks created by lead based paint. Areas identified as having greater than 27% pre-1970 housing units will be emphasized as high risk areas in terms of possible lead poisoning hazards.

Housing units identified as having lead based paint and containing residents under six years of age will be referred to the appropriate resource for mitigation measures. In addition, the County will seek to further inform and educate municipal officials, landlords, and homeowners in Chester County of the dangers associated with lead based paint, especially for children.

**Actions planned to reduce the number of poverty-level families**

The Department of Community Development funds a number of poverty reduction activities through the Community Services Block Grant Program (2021) and through its oversight of the Chester County Workforce Development Board (WDB). An example of CSBG programming includes Open Hearth’s Goal Achievement Program, Family Savings Partner Program, and Financial Insight and Resource Management Program, which were developed to provide uniform intake and consistent budgeting and household finance assistance, financial/credit counseling, long range planning, social service referrals and advocacy. Please refer to the attached 2021 funding awards sheet for a list of additional CSBG activities.

The WDB oversees the innovative partnership between the PA CareerLink - Chester County and the United Way Financial Stability Center. This one stop structure creates easy access to a coordinated network of employment and financial stability resources from a variety of governmental agencies and non-profit organizations. Resources available through PA CareerLink - Chester County and the United Way Financial Stability Center partners include employer hiring events, career skills development, job training opportunities, programs for displaced workers, re-entry efforts for those formerly incarcerated, youth training and education, and many other innovative activities.

**Actions planned to develop institutional structure**

In 2021, DCD will work to expand institutional structure by continuing to promote organizational capacity and coordination through the work of its own committees and work groups, and by participating in outside groups. These groups include:

- Chester County Workforce Development Board (WDB) – The DCD Director is also the Director of the WDB, an interdisciplinary panel that advises DCD on workforce development initiatives.
- Community Action Association of Pennsylvania - promotes statewide and regional collaboration on critical Community Service Block Grant funded issues.
- Decade to Doorways, the Chester County Partnership to End Homelessness, focuses on the
implementation of its 18 month operational plan focusing on post-COVID response and strengthening system resiliency. With support and endorsement of the Chester County Board of Commissioners, the goal of the Partnership is to oversee a coordinated community-wide systemic approach to prevent and end homelessness among homeless service providers, private and religious organizations, state and local agencies, foundations, businesses, elected officials, and other organizations while stimulating public opinion and interest, motivating community action, and preventing homelessness.

- Financial Stability Partnership - collaborative effort that coordinates comprehensive guidance for consumers and service providers to access the best suited financial stability services available in Chester County.
- Permanent Housing Options Committee - specifically developed to address the issue of limited resources for people with disabilities in the community, prominent organizations in the disability and housing communities come together to combine their existing resources and, as a result, more effectively serve the community. The goal is to assist people with disabilities over the age of 18, in coordinating a comprehensive array of services and resources essential in reaching their individual, permanent housing goals.
- Local Management Committee - PA Department of Human Services mandated local workgroup that sets policies for and coordinates EARN and Work Ready initiatives in Chester County.
- Mental Health Housing Subcommittee: a subcommittee of the Adult Mental Health Board focused on providing housing and supportive services for homeless and low-income clients diagnosed with mental illness. As a member of the subcommittee, DCD was instrumental in providing technical assistance in the development of the MH Housing Plan and will serve as the Fund Administrator for the Chester County MH Health Choices Reinvestment funds.

**Actions planned to enhance coordination between public and private housing and social service agencies**

In 2021, the Chester County Department of Community Development (DCD) will continue to lead “Decade to Doorways: The Community Plan to Prevent and End Homelessness in Chester County”. DCD currently serves as the lead agency for the PA-505 Continuum of Care (Chester County Continuum of Care) for the U.S. Department of Housing and Urban Development (HUD). In this role, DCD also serves as the Coordinating Agency for the Decade to Doorways Partnership and the plan. The Coordinating Agency, under the direction of its Executive Director, will provide administrative support, leadership and staffing in support of the Partnership.

Public and private housing and social service agencies and organizations in Chester County have achieved a high level of collaboration in administering programs benefiting low- and moderate-income people and families. The ongoing implementation of Decade to Doorways will continue throughout 2021 and will have a positive impact on enhancing the coordination between public and private housing providers and social service agencies, strengthening service delivery systems and outcomes. This initiative, guided by its Operational Plan, will be convened through the following structure to carry out
the coordination of services.

The implementation structure includes multiple organizational elements and is led by a Governance Board comprised of various community leaders. The Governance Board will oversee a variety of committees to manage the detailed oversight of the Plan. The Coordinating Agency is responsible for the ongoing administrative operational and staff support to provide oversight to Action Teams formed around the strategic goals and objectives of the Plan.

DCD will continue to fund HACC in 2021 to serve as Chester County’s Housing Locator, which is an important component to continue Chester County’s approach to Rapid Rehousing and the Housing First philosophy in dealing with the issues of homelessness. The Housing Locator, which now includes two staff members, will assist in finding affordable housing for individuals and families experiencing homelessness as well as organize the Chester County Landlord Forum. The Housing Locator will also work in conjunction with Decade to Doorways efforts focusing on permanent housing and housing stabilization. This includes participation in the Decade to Doorways Landlord Engagement Committee and providing information about the status of housing relocation and stabilization services.

**Discussion:**

The actions for 2021 outlined in this section will help Chester County further realize the successful implementation of strategies to enhance resident’s access to quality housing, housing stabilization, homeownership, promoting understanding of diverse populations, and building effective partnerships to maximize resources.

With a unique structure that houses DCD, the Workforce Development Board, and Decade to Doorways, the department is able to provide a broad spectrum of services and funding to respond to community needs. This capability leverages affordable housing, community development, community services, homeless initiatives, and workforce development not as individual issues but as a system that DCD has been highly effective making a positive impact for Chester County residents.
Program Specific Requirements
AP-90 Program Specific Requirements – 91.220(l)(1,2,4)

Introduction:

DCD does not limit beneficiaries or give preference to a particular segment of the low income population. DCD integrated its Assessment of Fair Housing (AFH), 2018-2022 to ensure that consideration was given to providing opportunity access. DCD will continue to work toward achieving the goals identified in the AFH Action Plan, which addresses communities with disproportionate access to opportunity and individuals in the Coatesville Racially/Ethnically Concentrated Area of Poverty (R/ECAP). Part of this effort includes the proposed Neighborhood Revitalization Strategy Area (NRSA) for the City of Coatesville. DCD’s AFH partner, the Housing Authority of Chester County, adopted its Small Area Fair Market Rent program on March 27, 2018 to enhance opportunity area access for low-income individuals.

DCD uses a two year entitlement application competition to solicit and fund projects. This process begins with preparing a timeline for soliciting applications and making funding decisions, as well as preparing detailed application guidelines that include program information, eligibility criteria, and other critical details for administering HUD programs. All applications are submitted to DCD using its online grant portal.

On April 13, 2020, DCD published a public notice in the Chester County Daily Local News regarding the request for proposals, posted all application guidelines and related content on the DCD website, sent an e-newsletter advertising the RFP availability, and held workshops on May 5 and 6, 2020 for the following applications 1) Community Services, 2) Public Works, 3) Housing Solutions for Individuals and Families Experiencing Homelessness and 4) Housing, Economic Development, and Community Construction.

Chester County DCD determines its own locally calculated 95% homeownership limits in compliance with 24 CFR 92.254(a)(2)(iii). DCD provided housing data from the Chester County Assessment Office using the date range of 1/1/2020 through 8/1/2020 for Chester County single family properties. HUD approved the Program Year 2021 95% value limit of $342,000 on October 9, 2020.

### HOME Investment Partnership Program (HOME)

**Reference 24 CFR 91.220(l)(2)**

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

   The Department of Community Development (DCD) may use County Housing Trust Program (HTP) funds to supplement HOME funds for eligible activities when available. In the past, the Chester County Department of Human Services has also leveraged Health Choices funding that it oversees to fund affordable rental units.

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for homebuyer activities as required in 92.254, is as follows:

   The Department of Community Development will execute and record a mortgage and promissory note (and when applicable a declaration of restrictions) with all eligible homeowners. This will secure HOME funding during the required affordability period. The appropriate resale or recapture language will be included in the recorded documents.

   Please see full recapture guidelines attached as an appendix.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired
with HOME funds? See 24 CFR 92.254(a)(4) are as follows:

The Department of Community Development (DCD) will execute and record a mortgage and promissory note (and when applicable a declaration of restrictions) with all eligible homeowners. This will secure HOME funding during the required affordability period. The appropriate resale or recapture language will be included in the recorded documents. DCD's full recapture guidelines are attached as an appendix document.

To maintain proper oversight for HOME rental properties in Chester County, DCD will conduct the following financial monitoring practices:

- Require annual copies of financial statements / audits from HOME recipients to monitor funding levels and cash flow;
- Require quarterly reports (CPQR's) from HOME rental properties to monitor vacancy status and wait list status;
- Require annual updated Insurance Certificates that additionally lists DCD as insured to confirm property insurance coverage;
- Conduct annual property inspections / file monitoring for each HOME funded rental property per CFR 92.252 and 92.504(d), which includes obtaining a current Rent Roll from each property to confirm rent payments, utility payments and vacancy status;
- Provide updated HOME rent, income and utility allowances to all properties in a timely fashion.

If DCD identifies any problems or discrepancies with the HOME property, DCD will take the following actions including:

- More frequent reporting and monitoring;
- Provide technical assistance;
- Assist in identifying additional non-federal funding or obtain an appropriate owner with greater capacity.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

Historically, the Department of Community Development has not provided any HOME funds for financing existing debt activities.
1. Include written standards for providing ESG assistance (may include as attachment)

See Written Standards for Providing ESG Assistance attachment.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

Chester County has had a coordinated entry system in place since July 1, 2013. In December 2019, a revamped coordinated entry system with separate call center and street outreach services began in order to more effectively serve those in need across the county's large geographic scope. The United Way of Chester County's 2-1-1 will provide call center services and Chester County Department of Community Development's newly created Street Outreach team will provide direct services to unsheltered individuals and families. Street Outreach services include homeless verification, engagement, diversion, prioritization, intake, and referral.

3. Identify the process for making sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

Recipients of Emergency Solutions Grant funding to eligible applicants will be selected as a result of a competitive application process, which is made publicly available. The application process will include ongoing technical assistance prior to submittal, review of the applications, site visits where appropriate, rankings, and evaluation discussions. Only applications that comply with federal eligibility guidelines, especially utilization of the HMIS, and that are strategically aligned with at least one of the goals from the Consolidated Plan and Decade to Doorways will be considered for funding. Applicant organizations must describe in detail their Program Management and Organizational Capacity and the proposed Program Design and Service Strategy, which are then scored and ranked by DCD staff. Additionally, all Uniform Guidance compliance criteria will be incorporated when evaluating providers' organizational capacity.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

Chester County consults with homeless/formerly homeless individuals by ensuring a membership position on the Decade to Doorways (D2D) Governance Board. The Governance Board is a main fixture in the Partnership structure for Decade to Doorways: The Community Plan to Prevent and End Homelessness in Chester County and its 18 month operational plan focusing on post-COVID response and strengthening system resiliency. The Governance Board serves as the principle body to
lead Annual Action Plan and govern the D2D Plan. It ensures the implementation, monitoring, and achievement of the systemic approach of the D2D Plan in preventing and ending homelessness. The Governance Board is made up of no more than 20 members drawn from a cross section of county-wide leaders, including the business sector, government entities, faith community, funders, and human service providers, and will include the D2D committee chairs. The Governance Board meets bi-monthly. To ensure representation for homeless and formerly homeless individuals, a participant with lived homeless experience serves on the board as well.

5. Describe performance standards for evaluating ESG.

Chester County recognizes the need to collaborate with stakeholders to not only meet but exceed the performance standards outlined below. The performance standards selected will contribute to the ability of Chester County to meet its goals by preventing and ending homelessness across its continuum.

FINAL - Approved by HUD June 1, 2017
COUNTY OF CHESTER  
DEPARTMENT OF COMMUNITY DEVELOPMENT  

RECAPTURE POLICY FOR HOUSING ACTIVITIES  
§ 92.254(a)(5)(i)(ii)

To ensure affordability of units with homebuyer assistance provided by the HOME Investment Partnerships Program (HOME), the Chester County Department of Community Development (DCD) will impose recapture requirements that comply with the standards of § 92.254(a)(5)(i)(ii) of the HOME Final Rule 24 CFR Part 92, and set forth the requirements in its consolidated plan. DCD will incorporate the policy into the executed written agreement with the subrecipient providing homebuyer assistance.

Recapture provisions ensure that DCD will recapture all or a portion of the HOME assistance to the homebuyers, if the housing does not continue to be the principal residence of the family for the duration of the period of affordability. DCD imposes recapture provisions by written agreement and by recorded lien. The HOME-assisted homebuyer may sell its unit at any time during the period of affordability, to any willing buyer, and at the price the market will bear. The period of affordability is based upon the total amount of HOME funds subject to recapture described in paragraph (a)(5)(ii)(A)(5) of this section.

(1) DCD will use the following options for recapture requirements. DCD is subject to the limitation that when the recapture requirement is triggered by a sale (voluntary or involuntary) of the housing unit, the amount recaptured cannot exceed the net proceeds, if any. The net proceeds are the sales price minus superior loan repayment (other than HOME funds) and any closing costs.

(A) Recapture entire amount. For First Time Homebuyer Program down-payment assistance, DCD may recapture the entire amount of direct subsidy provided with HOME investment from the homeowner.

(B) Shared net proceeds. This option will only be pursued at the discretion of DCD for First Time Homebuyer Program with Construction. Any activity involving shared net proceeds shall obtain prior written permission from HUD for choosing one of the following options in accordance with § 92.254 (a)(5)(ii)(A):

If the net proceeds are not sufficient to recapture the full HOME investment (or a reduced amount as provided for in paragraph (a)(5)(ii)(A)(2) of this section) plus enable the homeowner to recover the amount of the homeowner's downpayment and any capital improvement investment made by the owner since purchase, DCD may share the net proceeds. The net proceeds are the sales price minus loan repayment (other than HOME funds) and closing costs. The net proceeds may be divided proportionally as set forth in the following mathematical formulas:

\[
\frac{\text{HOME investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{HOME amount to be recaptured}
\]

\[
\frac{\text{homeowner investment}}{\text{HOME investment} + \text{homeowner investment}} \times \text{Net proceeds} = \text{amount to homeowner}
\]
The ESG program provides funding to:

- Engage homeless individuals and families living on the street;
- Improve the number and quality of emergency shelters for homeless individuals and families;
- Help operate emergency shelters;
- Provide essential services to emergency shelter residents,
- Rapidly rehouse homeless individuals and families,
- Prevent families/individuals from becoming homeless.

I. **Standard policies and procedures for evaluating individuals’ and families’ eligibility for assistance under Emergency Solutions Grant (ESG).**

When working with ESG program income limits, released by HUD in the spring, providers must be aware of the following key points:

- **Extremely Low Income vs. Area Median Income Limits.** The "Extremely Low Income (ELI) families" limits do NOT apply to the ESG or Continuum of Care (CoC) programs. ESG does not use the ELI measure to establish income limits but instead uses the 30% of Area Median Income (AMI) income limits. Please use the 30 percent AMI tables. If ESG recipients/subrecipients were to use the ELI standard, some applicants for ESG assistance might be falsely determined to be eligible for homelessness prevention assistance, when actually their incomes were over 30 percent AMI.

Under the ESG program, income eligibility is based on the HUD income limits in effect at the time of income verification. Income eligibility is not based on HUD income limits that correspond with the grant year under which the ESG funds were awarded.

- **Rapid Re-Housing Income Requirements.** Please keep in mind for program participants receiving ESG "Rapid Re-Housing" assistance, an income assessment is not required at initial evaluation. At re-evaluation - which must take place not less than once annually for rapid re-housing - the participant's household must have an annual income that does not exceed 30 percent of median family income for the area, as determined by HUD.

- **Homelessness Prevention Income Requirements.** The ESG Program Interim Rule limits eligibility for homelessness prevention assistance to individuals and families with incomes below 30 percent of AMI at intake and incomes that do not exceed 30 percent of AMI at re-evaluation, which must take place not less than once every 3 months.

- **Data Requirements.** To ensure program compliance, all client information will be entered into the Chester County Client Information Management System (CCCIMS) and the client case file. Information that should be filed include the initial assessment, documentation of income, case notes and other documentation (as appropriate) that demonstrate the participant’s eligibility, financial resources, support networks, and subsequent housing options. The policies and procedures of providers funded under
ESG shall be consistent with the definitions of homeless and at risk of homelessness in 24 CFR 576.2 and the recordkeeping requirements in 24 CFR 576.500(b), (c), (d), and (e).

II. **Policies and procedures for coordination among emergency shelter providers, essential service providers, homelessness prevention and rapid re-housing assistance providers, other homeless assistance providers, and mainstream service and housing providers.**

Policy: All agencies receiving ESG funding will be required to coordinate with homeless prevention/assistance providers, mainstream resources, and housing providers. Specifically, they will be required to coordinate with the following services:

**Section 576.400 (b): Homeless Services**

- Shelter Plus Care
- Supportive Housing Program
- Section 8 Moderate Rehabilitation SRO
- HUD-Veterans Affairs Supportive Housing (HUDVASH)
- Education for Homeless Children and Youth Grants
- Grants for the Benefit of Homeless Individuals
- Healthcare for the Homeless
- Programs for Runaway and Homeless Youth
- Projects for Assistance in Transition from Homelessness (PATH)
- Services in Supportive Housing Grants
- Emergency Food and Shelter Program
- Transitional Housing Assistance Grants for Victims of Sexual Assault, Domestic Violence, Dating Violence, and Stalking Program
- Homeless Veterans Reintegration Program
- Domiciliary Care for Homeless Veterans Program
- VA Homeless Providers Grant and Per Diem Program
- Health Care for Homeless Veterans Program
- Homeless Veterans Dental Program
- Supportive Services for Veterans Families Program
- Veteran Justice Outreach Initiative

**Section 576.400 (c): Mainstream Resources**

- Public housing programs
- Housing programs receiving tenant based or project based assistance under Section 8
- Supportive Housing for Persons with Disabilities (Section 811)
- HOME Investment Partnerships Program
- Temporary Assistance to Need Families (TANF)
- Health Center Program
- State Children’s Health Insurance Program
- Head Start
- Mental Health and Substance Abuse Block Grants
- Services funded under the Workforce Innovation and Opportunity Act (WIOA)

In addition, the Chester County Department of Community Development strongly encourages collaboration with the following programs/agencies:

- Community Development Block Grant-(CDBG)
- Continuum of Care Funding (CoC)
- Community Services Block Grant (CSBG)
Building partnerships is one of the key principles of Decade to Doorways: The Community’s 10 Year Plan to Prevent and End Homelessness in Chester County. The role of ESG funding as part of a larger plan to prevent and end homelessness will be discussed by the Decade to Doorways Governance Committee, which meets bi-monthly. This committee will create a place where stakeholders from the above organizations will communicate, coordinate, dialogue, network, and share information and resources. Additionally, the aforementioned organizations’ staff and programs are incorporated through the Decade to Doorways organizational structure and comprise the Continuum of Care.

III. Policies and procedures for determining and prioritizing which eligible families and individuals will receive homelessness prevention assistance and which eligible families and individuals will receive rapid rehousing assistance.

Policy: Those households currently experiencing literal homelessness on the street, in an emergency shelter, or a place not meant for human habitation will be prioritized to receive rapid rehousing assistance. All referrals and outreach efforts to recruit eligible participants for rapid rehousing must come directly from the Service Prioritization Decision Assistance Tool (SPDAT) Queue in CCCIMS. Individuals and families that are currently on the Individual and Family SPDAT Queue(s) that fit the rapid rehousing criteria by way of the SPDAT acuity score will be contacted by a Rapid Re-Housing Specialist. If prevention services are provided, they will be targeted to households who are most likely to become homeless based on county data of households currently in the shelter system.

Individuals and families will have a SPDAT completed to determine eligibility for rapid rehousing services at the Coordinated Entry, Emergency shelter, or Transitional Housing providers in Chester County. The goal of rapid rehousing is to get the most valuable households into permanent housing as quickly as possible while connecting them to the mainstream supports with which housing is maintained.

IV. Standards for determining the share of rent and utilities costs that each program participant must pay, if any, while receiving homelessness prevention or rapid re-housing assistance.

Policy: Providers will provide “the least amount of assistance needed, for the shortest period of time” to help the household to stabilize. It is the policy of Chester County that each individual or family receiving financial assistance through ESG will be assessed to determine their participant pay liability while receiving rapid re-housing services. All households must pay a minimum of 30% of their gross monthly income toward their rent. Exceptions are made for extenuating circumstances due to extremely low incomes, but the household must
be actively pursuing employment or benefits to increase their income in a short period of time. Any household moving to new housing may receive: 1) security deposit only; 2) one month's rent and deposit; or 3) full or partial security deposit plus a short to medium-term rental subsidy.

If only utility assistance is needed, households will pay at least 30% towards utilities. In the case of arrearages, the ESG program does not require 30%, but participants should be asked to contribute what they can.

Financial assistance provided will vary depending on the household and their individual needs. These needs will be assessed by the Rapid Re-Housing Specialist and evaluated at least monthly. This will ensure that households obtain and maintain housing with the least amount of resources in the shortest amount of time possible.

**V. Standards for determining how long a particular program participant will be provided with rental assistance and whether and how the amount of that assistance will be adjusted over time.**

Policy: Chester County will use a model of “progressive engagement,” like the model outlined by both the National Alliance to End Homelessness and also Alameda County, California. This model provides a small amount of services and resources at first to a household but allows for flexibility if a household needs more assistance. For some households, the initial assistance will be enough assistance to help them to obtain stable and permanent housing. This type of engagement is cost-effective and helps to conserve resources for those who need them most. The Rapid Rehousing Specialists will work with households to determine their needs, length, type, and amount of assistance on a case by case basis.

Additionally, if a household receives project-based rental assistance, they must have a lease that is for a period of 1-year, regardless of the length of rental assistance. Moreover, households receiving rapid rehousing assistance must be re-evaluated at least once every year and program participants receiving homelessness prevention assistance are required to be re-evaluated at least once every 3 months. Lastly, no program participant may receive more than 24 months of assistance in a 3-year period.

**VI. Standards for determining the type, amount, and duration of housing stabilization and/or relocation services to provide a program participant,**

- Including the limits, if any, on the homelessness prevention or rapid rehousing assistance that each program participant may receive, such as the maximum amount of assistance, maximum number of months the program participant receives assistance; or the maximum number of times the program participant may receive assistance.

Policy: The types, amount, and duration of housing stabilization and relocation services will be determined on a case-by-case basis using progressive engagement. The maximum time that a household may receive housing search and placement assistance is 24 months. However, Rapid Rehousing Specialists will be focused on providing the least amount of assistance during the shortest time period, stabilizing households as quickly as possible. The following are eligible ESG Rapid Rehousing costs:

- Short term rental assistance (up to 3 months)
- Medium term rental assistance (4-24 months)
• Rental arrears (one-time payment of up to 6 months of rent in arrears, including any late fees on those arrears).
• Rental application fees - As needed. A comparison of standard application fees will be done to determine if the amount is reasonable.
• Security deposit - No more than 2 month’s rent.
• Last month’s rent - Only if necessary and not to exceed one month’s rent. It will be included in the total months of rental assistance which will count toward the 24 month maximum in a 3 year period.
• Utility payments - Includes gas, electric, water, and sewage only. Up to 24 months in a 3 year period, per utility service, including up to 6 months of arrears which would be deducted from the 24 month period.
• Moving costs - As needed. It may include truck rental or hiring a moving company as well as payment of temporary storage fees for up to 3 months, provided that the fees are accrued after the date the household began receiving assistance and before moving into permanent housing. Payment of temporary storage fees in arrears is not eligible.
• Service costs:
   Housing search and placement
   Housing stability case management
   Mediation
   Legal Services
   Credit Repair

Comment: Has the Commonwealth released guidance for CDBG-Disaster Recovery (DR) grants?

Response: Not that Chester County Department of Community Development is aware of yet. This would likely be provided through the PA Department of Community and Economic Development.

Comment: What is the process to apply for these [entitlement and CARES] funds, and then the decision/approval process to decide what amounts are designated to applicants?

Response: DCD releases its requests for proposals via e-newsletter, website, social media, and public notice in the Daily Local News. DCD then gathers proposals through an online application portal. The respective applications’ guidelines published with those requests for proposals address timeline; funding priorities; content areas such as statement of need, program design and service strategy, and organizational capacity; and scoring information. An application workshop is offered to provide additional information and answer questions. Within the application, there are defined content areas with assigned point values. After review and scoring, DCD recommendations are taken to the Commissioners.
