Chester County District Attorney Tom Hogan announced the hiring of Oscar Rosado as the newest member of the Chester County Detectives.

District Attorney Hogan stated, "Detective Rosado is a key addition to the Chester County Detectives. He is an experienced and accomplished investigator, having handled major drug, violent crime, and child abuse investigations. In addition, he is fluent in Spanish, an important tool in many investigations."

Detective Rosado was born in the Commonwealth of Puerto Rico, a territory of the United States. He previously was employed by the Kennett Square Borough Police Department. He worked extensively with the Chester County Detectives in Operation Telaraña, a drug investigation that dismantled a Mexican drug trafficking organization that was run out of Southern Chester County. Detective Rosado also is a trained forensic interviewer in child abuse cases. Finally, Detective Rosado previously has played an important role in helping the District Attorney's Office to interact with the Latino community in Chester County, including working on events with the Maternal and Child Health Consortium and La Comunidad Hispana.

Detective Rosado initially will be assigned to the District Attorney's Child Abuse Unit. He will remain available to work on violent crime and drug investigations.

Detective Rosado stated, "It is my honor to be selected to join the Chester County Detectives. I will work hard every day to live up to the trust placed in me by District Attorney Hogan and the citizens of Chester County."
