Mental Health and Intellectual Disability Act of 1966 Section 303.
Duties of the County MH/IDD Advisory Board

A. The County MH/IDD Board shall have the power and its duty shall be:

1. To review and evaluate the County’s MH/IDD needs, services, facilities and special problems in relation to the local health and welfare needs, services and programs.

2. Except in cities of the first class, to recommend to local authorities (Commissioners) not less than two persons for the position of Administrator. Such persons shall meet the standards of professional skill and experience as the department may establish by regulation.

3. To develop, together with the administrator annual plans for the MH/IDD programs required by Sections 301 and 509.

4. To make recommendations to the local authorities (Commissioners) regarding the program and any other matters relating to MH/IDD services in the County, including purchase of service contracts and the extent of funds required to implement the program.

5. To review performance under the MH/IDD program and to recommend a system of program evaluation.

B. The functions of this Board may be performed by a multi-purpose Board acting in the health and welfare field, if the local authorities so elect with appropriate representation as specified in Section 302 (a), in so far as possible, and subject to the approval of the department.
FY 2023-2024
MH/IDD Advisory Board Goals

1. The MHIDD Advisory Board will recommend to the commissioners candidates who represent the geographic, language, ethnic and racial diversity of the County.

2. The MH/IDD Advisory Board will increase their understanding of proposed legislation judicial and administrative developments, for the purpose of making recommendations to the Administrator and the Commissioners.

3. The MH/IDD Board will increase their understanding of the roles of other Human Services Departments that provide services and supports to consumers.

4. The MH/IDD Advisory Board will promote inclusion opportunities that help the consumer pursue and understand a purpose in life, and acceptance of self and sense of belonging in the community.

5. The MH/IDD Advisory Board will actively monitor the current economic landscape and State Budget as they relate to the impact on consumers, families and providers.
