Water Protected Use Designations For Streams in Chester County, Pennsylvania

Water Resources Map - 15 revised (12/21/2005)

Stream use designations for this map apply to the waterways shown. When there is one designation in a sub-watershed, that designation applies to the entire basin. If there are multiple designations, the designation with a superscript (1) applies to the mainstem and land areas that drain directly to the mainstem. Other designations apply to the tributaries and their drainage basins.
